105 Frederick Avenue is ROSNO Management's largest apartment complex, with 1, 2 and 3 bedroom units of varying sizes. All units have balconies, many of which have breathtaking views over the city of Halifax.

This building is centrally located and is excellent for families as it is close to an abundance of amenities: schools (elementary, junior high and including French Immersion), daycares, parks, sports fields, Superstore, the NSLC, Shoppers Drug Mart, and other professional services. There is a live-in superintendent on call 24/7 who is very hands on and community oriented. As well the building has two elevators, which makes this a great location for seniors.

The Metro Transit route #18 will take you directly to downtown Halifax.

Each apartment includes: balcony, heat, hot water, free parking, and on-site laundry facilities. In addition to these amenities our buildings are fitted with secure intercom systems, and have a live-in superintendent, so tenants feel exceptionally safe and comfortable.
